The peaceful and quiet atmosphere of this park makes every visit tranquil and relaxing. **Thirty campsites** are nestled in the shady, wooded forest - each with water and electric hookups. A dump station is also provided. A **youth campsite** is situated on the Dead River for youth organizations to use.

The Stone Age and Primitive Arts Festival has a new location for 2021, of Letchworth - Love Mounds Archaeological State Park - 4500 Sunray Road South, Tallahassee, Florida. The information below will be updated shortly.

Nature trails run along the river and wind through picturesque pine flatwoods. **Ranger guided walks** and **campfire programs** are offered during the summer months.

Water sports are popular on the river in the summer. The park is an excellent place to **swim, canoe** and **fish**. Fresh and saltwater fish are abundant. Large mouth bass, bream, catfish and speckled perch inhabit the fresh water, while redfish and speckled trout are common in the brackish water. *A Florida fishing license is required for all persons between the ages of 16 and 65 years old.*
